

Food Vending in the City of Eugene

A food cart, also known as a mobile food unit, is a vehicle that is self-propelled or that can be pulled or pushed down a sidewalk, street, or highway, on which food is prepared or processed and is used in selling and dispensing food to the consumer. (OAR 333-150-0000)

Are building permits required?

A building permit is not required for a mobile food unit as defined in the Oregon Vehicle Code, as long as:

- The vehicle is on wheels at all times. (There is no requirement that it *be* moved at any specific time interval only that it be *able* to be moved.)
- It is not enclosed by a structure, attached to a structure, or otherwise restricted from being able to be moved at all times.
- It does not require a special permit from the Oregon Department of Transportation to be moved.
- Connection to onsite electrical is via a flexible cord plugged into a receptacle; no hard-wired connection allowed.
- There is no piped connection to water service or wastewater piping.

Where are mobile food units allowed?

Downtown: Permits are required for food vending on public property in the downtown area. This includes:

- Ken Kesey Square at the corner of Willamette St. & E. Broadway
- Corner of W. Broadway & Olive St. (9 pm – 3 am)
- The park blocks on E. 8th Ave. between W. Park Ave. and E. Park Ave.

For permit information please contact the Saturday Market:

Public Parks: Food units are not allowed in City parks unless associated with an approved event. Authorization by the organizer of the event must be obtained.

13th Ave. near the University: There is an area between Kincaid St. and Ferry St. where food vending is allowed in the public right-of-way with a permit. Please contact the Eugene Chamber of Commerce at 541-484-1314 for details.

Public Sidewalks: Food vending is not allowed on public sidewalks with the exceptions noted above under Downtown and 13th Ave. near the University.

Private Property: Food vending is allowed in commercial zones (C-1, C-2, C-3, C-4) and in the Whiteaker Special Area Zone (S-W). To determine the zoning of a particular property you can visit our website at www.eugene-or.gov/zoningmap. The following are things to consider when vending on private property:

- Property owner approval
- Units cannot take up parking spaces required by other businesses at the location.
- Units are not allowed to block motor vehicle access or pedestrian ways.
- Pedestrian (walk-up) traffic only is allowed (no drive-thru service).
- Units should not be parked in required landscape areas.

Are there any other regulations I should be aware of?

Yes, because the unit is selling food to the public it must be inspected and licensed by Lane County Health and Human Services:
